HERITAGE WEEK 2024

SUSTAINABLE DESIGN FORUM

Inspiring Sustainable Solutions by Honoring Indigenous Traditional Knowledge for a Thriving San Diego

Join us for an extraordinary international event co-hosted by the Kumeyaay and Maasai, uniting global indigenous leaders from the USA, Japan, Kenya, Australia, Brazil, and beyond. Engage in insightful panel discussions focused on key themes such as ecological sustainability, health, art and culture, and community resilience. Enjoy authentic cultural entertainment, art exhibitions, an indigenous bazaar, international cuisine, film, virtual reality, and more—inspiring new innovative ideas to shape a more sustainable future for San Diego.
